**PRIVACY PROTECTION AGREEMENT**

I, the undersigned	
Date of birth:	
Address:	
No. of official document with picture suitable for verifying a person's identity (ID card or drivers license or passport):	

As a Runner of the MUDDY BUDDIES RUN (henceforth: Run) held on 15 (day)  
May (month) 2021 (year),

organized by

- Muddy Buddies Run/The Water Bark: Registered Office: 3800 N. Cromwell Avenue, Oklahoma City, OK 73112, henceforth: Run Organizer

by signing this agreement, I provide my express agreement to the Run Organizer, as data handler, record, process and make use of the data I provided (these are: name, date of birth, e-mail address, telephone number, dog's name, bib number, vaccination records) during the registration required to participate in the run for the following purposes: organization and execution of the run, newsletters sent to my address if I have given my permission.

I am aware of the fact that I may request the data handler to delete my recorded data by writing to muddybuddiesrun2021@gmail.com e-mail address, and I can personally delete my data on the application module interface. I also accept that deleting my data during the run results in my disqualification from the run, as the Run Organizer cannot ensure my participation in the run in the absence of the necessary data. I am aware of the fact that the run is a public event which may be visually recorded by the Run Organizer and I may appear on said recording in identifiable form. I agree to the production of said recordings by my participation and the signing of this Agreement. I also accept that the Run Organizer may use the recording or a shortened, edited version thereof without time limitations in the following channels: the run's website, Facebook page, Youtube channel, promotional films, press releases. For the uses and publications listed above, I require no form of compensation. This agreement has been prepared in English language. Should any interpretation differences or linguistic problems occur, the English version is prevailing
